IN THE U.S. PATENT AND TRADEMARK OFFICE

Applicant: Young-Kwang BYUN                      Conf.: 8178  
Appl. No.: 10/671,507                              Group: 3754  
Filed: September 29, 2003                      Examiner: K. Bomberg  
For: COSMETICS CASE FOR LIQUID COSMETICS

PETITION UNDER 37 C.F.R. § 1.181

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

January 3, 2005

Sir:

The Honorable Commissioner is respectfully requested to substitute the drawings of the present application with those of application Serial No. 10/671,563 and to substitute the drawings of Serial Number 10/671,563 with those filed in the present application for the following reasons:

An Office Action mailed November 2, 2004 was received from the Examiner in the present application wherein it was indicated that the drawings were objected to because three sheets of formal drawings filed with the application do not correspond to the specification, claims and Abstract or foreign priority document

drawings. The Examiner noted that the application was inadvertently filed with incorrect drawings.

Upon investigating the present situation it was determined that the present application was filed on the same day, i.e., September 29, 2003, as application Serial No. 10/671,563 and for reasons not explainable, the drawings became separated from their respective specifications in the USPTO or otherwise and then recombined with the incorrect specifications.

Since both applications were filed on the same day by the same inventor and since the error is an obvious inadvertency, the Commissioner of Patents is respectfully requested to switch the drawings in the respective applications, thereby resolving the issue raised by the Examiner in the Office Action letter.

Accordingly, in the interest of Justice, the Director and/or Commissioner of Patents is respectfully requested to Grant the present Petition.

The drawings which correspond to the specification of the present application are attached hereto.

The Petition Fee in the amount of \$400 is enclosed. However, if no fee is found or is an insufficient amount please charge Deposit Account No. 02-2448.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any

overpayment to Deposit Account No. 02-2448 for any fees required  
under 37 CFR 1.16 or 1.17.

Respectfully submitted,
